Xtreme Zero Waste Demonstration

With funding support from Boulder County, we are rethinking event impact every step of the way. Look for our Xtreme Zero Waste event guide & video in the near future. Recycling small electronics, and with real plates, cloth napkins, used t-shirts and no single-use plastic bottles, we are reducing our impact. We can make a difference with your help!

Thank You Volunteers!

Thank you to our incredible Youth of the Earth Council: Aidan, Julian, Al, Mireku, Dani, Emily, Lachlan, Sarah, Rose, Erin, Kandice and Sydney! And parents!!! And to the amazing volunteers and SRL Board that together made this event happen!

Special thanks to Can'd Aid Foundation for the \$7,500 grant and for believing in us!
